We function at the intersection of data, technology, and design to modernize programming and improve service delivery.

About Us

Bloomwell Health LLC is a woman-owned and operated consulting organization that connects people with the resources and support they need through human services and public health solutions. We enable organizations like yours to deliver high-quality programs, while also increasing process efficiencies, improving operational agility and paving the way for greater innovation.

Our Mission

Our mission is to inspire active engagement through collaboration and open dialogue, encouraging organizations to create platforms that amplify diverse voices. By sharing personal stories and experiences related to health promotion and organizational change, we build empathy, spark motivation, and cultivate a shared purpose and commitment to positive change.

We work with:

- ✓ Federal Agencies
- ✓ Healthcare
- ✓ Health Departments
- ✓ Nonprofit
- ✓ Research Institutes
- ✓ Private Sector

Strategic Planning

Developing and executing strategies that stimulate business expansion.

Training & Technical Assistance

Supporting clients with expanding capabilities to achieve public health goals.

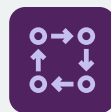

Health Promotion & Communication

Fueling the front lines of health promotion and public health education.

Research & Evaluation

Implementing research designs to achieve sound data collection and analysis.

Staffing & Operational Efficiency

Streamlining processes and improving operational effectiveness.

Data Analysis & Data Visualization

Improving data quality through downstream analysis and visualization.
